

Executive Summary

Tired of guests coming back over and over? The mundaneness of your home got you down? Nobody creeping just around the corner, waiting for you?

Worry no more! Here at Haunted Homes, we understand that the only thing more terrifying than a phantom is a boring house. That's why we've made it our mission to deliver quality, haunted homes straight to your door¹. Our factories all over the world produce replica structures for a variety of needs, from classic creepy to fancy frights, then infest the property with a *real* supernatural creature!
